

Dear Parents and Students:

We are very pleased to share with you the great news that the JCA Chinese School has won the Education Award from the Mayor's Asian American Advisory Board and The City of Jacksonville. This award is a resemblance of the diligence and intelligence of the whole community---our students, parents, teachers, the previous and current school staff!

Let us work harder to step up with the honor woven into the award. For your visual entertainment, attached is the photo of the award plaque.
